

Professor Pavle Andjus - President
Serbian Brain Council

21st December 2016

RE: Welcoming the SBC as Observer Member to EBC

Dear Professor Andjus,
Dear Pavle,

We are writing to you to finalize the Serbian Brain Council application for Observer Membership to EBC which was considered by our Board meeting on 30th November 2016.

We are very pleased to inform you that the Serbian Brain Council was accepted as an Observer Member to EBC for 2016 onwards.

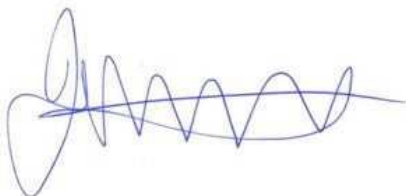

We are extremely pleased to welcome you within the organization and look forward to working with you in a sustained fashion, particularly in the context of our ongoing projects. As per the new statutory bylaws of EBC, the status of "Observer" entitles your organisation to sit on EBC's General Assembly (meeting twice per year).

In the framework of our new cooperation, we also kindly invite you to raise with us and other Members within EBC any issue that you would consider of mutual interest. Please also feel free to revert to us should you need any further information on our activities and reports which may be of interest or support to your activities.

Together with the members of EBC's Executive and our Brussels Office, we remain at your disposal for any further information that you may require.

With kind regards,

David Nutt
President of EBC

Frederic Destrebecq
Executive Director of EBC
